

Privacy Statement

Your privacy is important to Abbey Fire Doors. This privacy statement provides information about the personal information that Abbey Fire & Security collects, and the ways in which Abbey Fire Doors uses that personal information.

Personal information collection

Abbey Fire & Security may collect and use the following kinds of personal information:

- information about your use of this website
- information that you provide using for the purpose of registering with the website
- information that you provide for the purpose of subscribing to the website services and
- any other information that you send to Abbey Fire & Security.

Using personal information

Abbey Fire & Security may use your personal information to:

- administer this website;
- personalize the website for you;
- send to you products that you purchase;
- supply to you services that you purchase;
- send you marketing communications.

Where Abbey Fire & Security discloses your personal information to its agents or sub-contractors for these purposes, the agent or sub-contractor in question will be obligated to use that personal information in accordance with the terms of this privacy statement. In addition to the disclosures reasonably necessary for the purposes identified elsewhere above, Abbey Fire & Security may disclose your personal information to the extent that it is required to do so by law, in connection with any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights.

Securing your data

Abbey Fire & Security will take reasonable technical and organisational precautions to prevent the loss, misuse or alteration of your personal information. Abbey Fire & Security will store all the personal information you provide on its secure servers. Information relating to electronic transactions entered into via this website will be protected by encryption technology.

Cross-border data transfers

Information that Abbey Fire & Security collects may be stored and processed in and transferred between any of the countries in which Abbey Fire & Security operates to enable the use of the information in accordance with this privacy policy. In addition, personal information that you submit for publication on the website will be published on the internet and may be available around the world. You agree to such cross-border transfers of personal information.

Updating this statement

Abbey Fire & Security may update this privacy policy by posting a new version on this website. You should check this page occasionally to ensure you are familiar with any changes.

Other websites

This website contains links to other websites. Abbey Fire & Security is not responsible for the privacy policies or practices of any third party.

Contact Abbey Fire & Security

If you have any questions about this privacy policy or Abbey Fire & Security treatment of your personal information, please write to: Abbey Fire & Security. 10 Brunel Business Court, Eastern Way, Bury St Edmunds, Suffolk IP32 7AJ.
